About Team FMS

- TEAM FMS is offering an all-in-one race program race team program for 2017 USPKS series. To be able to focus more on driver development, assistance of data acquisition, and technical support, the USPKS race program series will be limited to 6 drivers.
- The program will be split into 2 groups: 3 Cadet classified drivers and 3 Junior/Senior drivers. A 3rd group may be offered but only with additional personnel.
- Cadet drivers will be working with a dedicated TEAM FMS staff member focusing on driver coaching and a strong emphasis on data acquisition.
- Junior/Senior drivers will be working a 2nd dedicated TEAM FMS staff member focusing on driver training with an emphasis on technical improvements to suite each driver and their equipment
- The USPKS season is broken into 5 weekends, which a pre-season test session in Mooresville, NC and 4 official USPKS race events. In addition to everything above, the program includes:
 - Transport
 - Pit space and tents with amenities
 - Technical team
 - Parts support
 - On-hand spare chassis
 - Snacks and Drinks
- *Drivers who return a season contract by January 31st will receive a complementary TEAM FMS/Merlin official driver suit by MIR.
